

### F5J USA Tour, 2018 Season Income and Expenses

Date last changed: 12-14-2018 Chris Bajorek

Income is 100% derived from \$3 per pilot fees at official F5J USA Tour events.

Pilot fees only collected for pilots that flew minimum of 4 rounds (per Tour rules).

Collected fees are deposited into the F5J USA Tour Paypal account.

Expenses are 100% based on awards that are given to the top 10 pilots in the current season.

The Tour web pages are provided at no cost to the Tour by Embedded-Ability (Chris Bajorek, owner/operator of the f5j-usa.com website).

Just a great experience. I called much too late to get what I needed for an important conference. No other Awards/Trophy company would even give me options. Quick Trophy not only got me what I needed overnight, but was still able to customize it and then refunded me a portion of the shipping cost when they found a better way to do that. Great customer service, I wouldn't call anyone else.

The company did not have a copy of our company logo in their file so they went online and found it on a website, emailed it back to me for approval. Once approved the plaque was prepared and sent within a day.

The trophies were a last minute idea for a staff event and boy did Quick Trophy come through! They turned the order around in enough time for us to receive in time for our event. They looked professional and were a fun addition to our event. I highly recommend them.
